Headteacher's notes...

It has been another busy week with Bikeability taking place for Year 5 and Year 3. The children have been complimented on their attitude and behaviour – well done to you all! Year 2 enjoyed their Medieval Castle Days with History Off the Page, all taking part enthusiastically and looking so good in their costumes. Thank you for your support with this and to all those who volunteered and helped the children.

We started Assemblies in the Hall again this week which has been really good. Unfortunately we are now too big as a school to all fit in the Hall at the same time so we have Key Stage, Singing and 'Tree' Assemblies, which is where all the Maple classes come together, followed by Beech and then Willow over successive weeks. We will continue to have whole school Assemblies over Zoom each Monday and Friday and in this way we can still share messages and successes and help everyone feel part of one school which is so important. Over time we will look to see how we can resume Class Assemblies and have parents and carers attend.

Thank you for your support of Red Nose today. At the time of writing we have raised over £200. Donations can still be made through Just Giving.

Vacancy

We are currently recruiting a Midday Supervisor to work for 5 lunchtimes a week, starting next term. Details can be found under 'Vacancies' on the school website.

Term Dates 2022-2023

These were approved by Governors at their meeting this week and you should have received a copy of them. They are also available on the school website.

Governors survey

Thank you to everyone who has completed the survey so far. Governors have compiled some questions which they would really like your feedback on which cover:

- how your child is doing at school;
- communication from school;
- what your child is learning in school; and
- school leadership.

There is also a general comments box for you to tell us anything you think we need to know, further to the questions or about the survey itself. Your feedback will help us to monitor how we are doing as a school and is highly appreciated. Where possible we would appreciate feedback for each child individually which you have at school however we appreciate this will take a little longer.

Many thanks in advance for your time and feedback. The survey for this term can be found by clicking on the following link <https://www.smartsurvey.co.uk/s/AG12IT/>. The closing date is Monday 21st March.

Food Donations

Donations for Diamond Hampers, the local food charity we are supporting, can be left in the baskets outside of the office once again – thank you.

Numbers are slowly increasing and we now currently have a total of 27 confirmed cases amongst both staff and children. It would be worth having a contingency plan in place in case we have to close classes or year groups at short notice as getting cover is extremely challenging at the moment.

Please keep your child at home if they are unwell or show signs of COVID.

If a child becomes unwell or shows any symptoms of COVID-19 we will contact parents/carers immediately. Schools can refuse access if a pupil has a confirmed case of COVID-19 or any of the three COVID-19 symptoms.

A helpful guide has been attached for you to refer to.

Please continue to inform the school each day by phoning or emailing pupilabsence@brampton.cambs.sch.uk . This includes informing us of positive cases at a weekend.

Thank you for your continued support.
