Headteacher's notes...

The first full week of the term has gone well and there has been some wonderful work from across the school. We have participated in the NSPCC's *Speak out Stay safe* online programme with Assemblies and workshops, details of which were sent home last week. Feedback from the NSPCC volunteers was very positive about how well the children engaged and how much they knew. I hope it has helped conversations at home as keeping ourselves safe is so important.

As you know we do a lot of work around our 6Rs and this week we have been thinking about Respect and what this means for us in school. Treating others as we want to be treated is the key message as well as looking after our environment so everyone can enjoy it. Staff are always encouraging and looking out for any children who are showing respect.

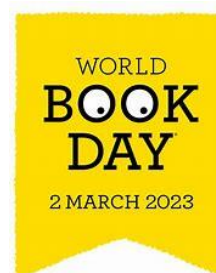

We look forward to continuing to work closely with you and have welcomed a number of new children and their families to the school since term started. Curriculum Letters were sent home yesterday with information for you about what the children are learning this term and we have Parent Consultations before half term in February – bookings details will be sent home shortly.

Sports News

Our footballers played against Stukeley Meadows Primary yesterday and won 3:2. Well done to all who played and thank you to everyone who came along and supported.

World Book Day

Don't forget that 2nd March is World Book Day and our theme this year is 'Bedtime Reading'. We will be inviting everyone to dress up again but there is no need to buy a costume - look out for more details soon.

Young Voices Trip

Please ensure that medical forms for the young voices trip are handed in as soon as possible. It is vital that children attend the last few Thursday choir rehearsals before the performance on the 27th January. Children are required to be in school as normal on the morning of the trip.

Reminders

Please can you ensure that your child comes to school with a named water bottle. This can then be topped up throughout the day.

Bottles should only be filled with water – no fizzy or energy drinks are allowed at all.

Please can we remind you that smart watches are not to be worn to school, even those without a SIM card.
