This Week's Learning

We have been learning all about Hungary which is where our friend Andrew and his family come from. We found where Hungary is on our globe, painted the Hungarian flag, cut out facts and places from Hungary, learnt that a Rubik's cube is from Hungary and had a visit from Andrew's dad.

Something Special

Brambles World Book Day

On Monday Brambles children joined the school children and dressed up as their favourite book character and brought in their favourite book for World Book Day.

They had lots of fun pretending to be the characters from their favourite books. They re-told parts of their story to their friends and had their photograph taken in front of the story shelves.

The children used the book skills they have been learning over the past few weeks to look at each other's books carefully, making sure the book is the correct way round, turning one page at a time and noticing that the words go from left to right, top to bottom using their reading pointy finger.
