**Home Learning:** Collect things that are see-through.

*Dear Families,*

On this week's nature walk we looked for shapes in the environment in and around school in our key groups.

We have enjoyed lots of colouring and mixing with media and materials.

*Sincerely,*

Miss Sallie

## Learning Goals:

**Topic:** 'Winter' **Main Text:** Aurora: A Tale of the Northern Lights by Mindy Dwyer

Our learning this week has been about the Northern Lights. We have looked at the different colours and how they move and swirl around the sky and we danced to music with coloured scarves to recreate the Northern Lights. We also used various sources of light to recreate them.

## Reminders:

Brambles will be closed over half term 15<sup>th</sup> - 19<sup>th</sup> February. Key persons will not be answering emails as they too need to spend time with their families.

The Government message still stands that if you can stay home to stay safe, then please do so, but Brambles will continue to be open. If you intend to send your child back to Brambles after half term, please let Brambles know via email by 3pm on Friday 12<sup>th</sup> Feb.
