HALF TERM \* Brambles closed

Home Learning:  
Spiders

Dear Families,

There has been lots of talk about spiders this week as we have had the story of Spinderella in the water tray complete with peas. Sang Incy Wincy Spider and used the drain pipes and watering cans outside. Decorated a biscuit to look like a spider at snack time. During our weekly walk took photos of webs and spiders using the iPad.

Sincerely,

Miss Max

Learning Goals:

**Topic:** 'This is me' **Main Text:** Walters Wonderful Web  
By Tim Hopgood

**Key Words:** Each week we choose six key words from the learning focus to support the children's communication, language and literacy. For example, this week is spiders and the key words are: Spider, web, arachnids, abdomen, head and legs.

Reminders:

Over half term have lots of fun together. Go outside and get some fresh, autumn air. Maybe one day go out in the morning and one day in the early evening, does it feel or look the same?

**Top Tip:**

Email our child's key person with what your child has been up to over half term and share celebrations and achievements.
