Reminders

The PTA do a terrific job on raising funds for both the school and the pre-school. The PTA have paid for Brambles to attend the mobile Planetarium visit, a Christmas class gift, subsidised the leavers' trip and paid for the leavers' personalised PE bags. The PTA need parents and families to help in any way they can. Please go along to the next meeting on Friday 19th May at 2pm. Without the PTA, none of this would be available.

This Week's Learning

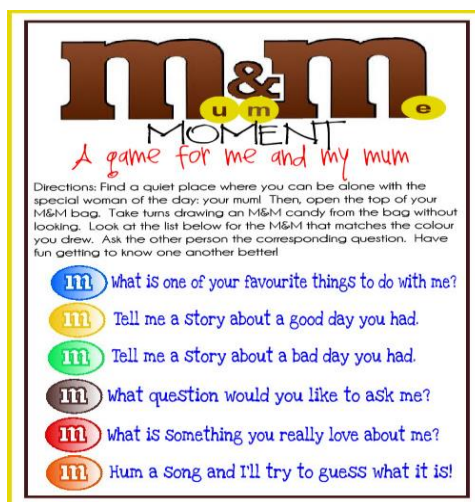

We have been learning all about what in Reception is the same as in pre-school. We looked around the classroom and the outside area, took photos, made tally charts and talked about what we found.

Something Special

As busy parents alongside the children's busy schedules, sometimes it can be very difficult to fit some quiet time in, especially when you have more than one child to have that 1:1 time with. This is a quick fun five minutes treat that you can spend with your child (however old they are) by using a 'fun size' packet or make more time by using a personal sized or family sized packet of M&M's!

Directions: Find a quiet time in the day when you are free from all distractions. Open your M&M packet and without looking, take turns taking a sweet from the bag. Look on the list for the corresponding colour sweet you have in your hand and ask the other person that question.

More magical moments: Change the questions to relate to questions you would like your child to share with you. Extend this activity to 'My family time & Me moment' and have a family sized pack of M&M's and use as a way to chat to each other!
