This Week's Learning

We have been learning all about who the reception teachers and teaching staff are by going to visit and chat to them during lunchtime play on the KS1 playground. We also have some social stories that last years Brambles made with photos of the staff, classrooms and school for us to look at and ask questions about.

We also have had lots of wonderful water fun this week learning about capacity, numbers, pouring and filling, numbers, fishing for phonics (letters in our name), and learning about water safety.

Something Special

Next Friday, 13th July, is the Leavers Assembly. It will be in a similar format as the Winter Assembly and Sports Day in the KS1 hall with a bring and share lunch afterwards.

11:00pm - Arrival and take your seats for a prompt start
11:15pm - Children's Presentation to parents
11:45pm - Presentation of certificates
12:05pm – Bring and share lunch (food lists have gone out)
12:30pm - Home time; collect best book, gift and end of year report back at Brambles.

Please let staff know if your child is booked in for the afternoon but you'll be taking them home instead to enjoy these last few moments together before they are in school full time.

It has become Brambles tradition over the past nine years that a parent or parents make / donate a celebration cake. Poppy's mum has very kindly offered to make this years cake – thank you very much!
