This Week's Learning

This week we have been learning about the different activities children do in school, such as PE in the hall and music in the music room. The children enjoyed their transition morning in their new classes and visited the Memorial Centre to sing to some of the older residents in the village.

Something Special

Pool Noodle Hacks for Kids

With all this wonderful warm weather (which is hopefully here to stay) why not have some fun in the garden with a pool noodle? They are available at the 99p Store and Poundland (other stores are available).

With your child, see what fun things you can make together and play with your noodle/noodles.

Don't forget to bring it in or take a picture and send it in for us to share with the class!
