## This Week's Learning

We learnt all about childminders and the role they have in our community. We also learnt about how you can grow your own fruit and vegetables on a trip with Wishing Well Childminders to their allotment in the village. We were able to also visit the florist in the village to see what they sell in their shop.

## Something Special

*Thank you all so much for those who took part in last Friday's pajama day for Children In Need. A fantastic total of £37.90 was raised. The children made their own spotty cakes and learnt what Children In Need is all about. For more information about Children In Need please visit:*
