Headteacher's notes...

The Y4 children at Grafham this week have thoroughly enjoyed themselves, taking part in all sorts of different activities. Those Y4 children in school have also taken part in various projects and as always, my thanks to all the staff who have made all this possible, both in school and at Grafham. We have

also had the mobile Planetarium in school today, which Y5 and Y6 have been very enthusiastic about.

Congratulations to the football team who beat Hemingford Grey Primary on Monday - there are more matches taking place soon.

Next week is the last week before we break up for half term and on Friday we have our 'Red, White and Blue' non-uniform day as well as the 'Family Picnic'.

Communication

As you know, we sometimes have to contact you to collect children who may be unwell and we will always make decisions in their best interests. We appreciate that it may not always be convenient but staff will only call if necessary. Please treat them with respect and courtesy, as unfortunately this has not always been the case recently. We value and welcome regular communication with all parents, carers and visitors to our school and we will act to ensure it remains a safe place for everyone. Thank you

Multiplication Check

An information leaflet has been sent home to Y4 parents today about the Multiplication Check which is due to take place in June.

Laches Wood

Information from yesterday's meeting is now available from the 'News' section on the school website.

Foodbank Donations

We are continuing to collect food donations for Diamond Hampers and these can be placed in the baskets in the main reception area. Thank you.

Family Picnic: Friday 27th May

Please look out for more details next week regarding final arrangements for the Family Picnic.

PTA News

Match Funding - Many companies throughout the UK offer employees the chance to boost their fundraising efforts by 'matching' the money they raise. Generally speaking, banks and building societies, insurance companies, supermarkets, utilities providers, phone companies and car manufacturers are known to offer match-funding schemes. Barclays, for example, offers its employees the opportunity to match funds they raise for their chosen charity up to £750 per year.

Achieving

Please can you ask your employers if this is something they would be willing to get involved with. If so, please contact bramptonpta@outlook.com and we can give you all the information and letters you will need. This is a great way to boost our fundraising total.

Our online summer raffle is now live - We are very lucky to have some fantastic prizes generously donated by many wonderful companies. Tickets are only £1 each and the draw will be at 1.30pm on Saturday 18th June during our summer fayre. Please do share this raffle link with all your friends and family.

Brampton Village Primary PTA welcomes you to this summer's online raffle! We have collected an amazing haul of prizes from local and national businesses, and for just £1 per ticket you could be in with a chance of winning one. We have our summer fayre on Saturday 18th June, 11-2pm at the school. The raffle draw will be at 1.30pm and the prizes will be available to collect at the fayre. The school has asked us to help fund new playground surfacing and equipment, so every penny of profit that we make on this raffle will be used to improve the play spaces that are enjoyed by all the pupils at the school. The work is going to cost around £8,000 - we are getting closer to our target! Good luck!
