Dear Parents/Carers,

We are already looking forward to welcoming back all of the children in September following yesterday's announcement and are now working to develop plans in line with the published guidance. We are expecting further information from the Local Authority next week and will update you as soon as we can. A guide for parents can be found [here](#).

Included this week are updates from the PTA and Brampton Kids Club as well as information on water safety we have been asked to share.

## Survey

The full Governing Body met this week and reviewed the results from both the Brambles Survey and the School Parent Survey. They have asked me to pass on their thanks to everyone who completed them and for all the comments, many of which were very positive and appreciative of what the school does. A summary of the results is included at the end of this letter and we will write with more details next term about any specific actions that may be taken as a result.

## Annual Reports and Classes for 2020-2021

Annual Reports for all children will be posted home from the middle of next week and included with these will be confirmation of teachers and classes for September. At this stage we understand that it will not be possible for the children to come into school to see their new classrooms and meet their new teachers before the end of this term but please keep an eye out for any updates on this.

## Bookings

Childcare bookings for the Key Worker groups (NHS frontline staff, those who work in Care Homes, those who work in the Police, Military and those who work in schools) will re-open from **7.30pm on 7<sup>th</sup> July and will close on Wednesday 8<sup>th</sup> July at 7.00pm – these bookings are for the rest of this term**. Places remain very limited due to the availability of staff so if there is a parent at home please keep your child there if you can to free up space for others. Bookings should be made through our online booking system <https://bramptonvillage.parenteveningsystem.co.uk> so that we can plan the staff rota and ensure that we have the right support in place. Places are full for next week.

## Chairs

We have a number of computer chairs that we are no longer using. We will leave them at the front of the school next Thursday, weather permitting. Please feel free to put any donations into the post box by the green gate.

## PTA News

*Hi everyone, I hope you're all well during this new way of life we've been adjusting to.*

*The PTA have been busy thinking of ways we can still make money for the school despite not having various fund raising events, including the summer fair.*

*Have you all heard of Amazon Smile? It is a shopping website operated by Amazon - when you shop on this website, AmazonSmile Foundation donates 0.5% of the purchase price of eligible products to a charity of your choice. Once you've set up your chosen charity you just use Amazon as normal and it automatically donates for you and it doesn't alter the cost to you of the price of the product.*

*We have set up an account so that the school can receive a donation from any purchases. The links below take you direct to the correct page which you could save as a bookmark or homepage.*

However, if you use the Amazon app to make purchases then you need to go to the app, click on the three lines, go into settings, select Amazon Smile and then turn on Amazon Smile. The charity is Brampton Village School Association.

Please pass this on to friends and family and hopefully raise funds for our school.

## RNLI Water Safety

This summer, the RNLI have highlighted that Lifeguards can't be on every beach, a heightened water safety risk to beach goers. They have asked us to share these important messages with children and their families.

meaning

*The fine weather, along with the inevitable enthusiasm to be outside in the current circumstances, has led to a number of children, often with their families swimming in local rivers, Fens and lakes.*

*This summer, our Lifeguards can't be on every beach, meaning a heightened water safety risk to beach goers. It is anticipated that as restrictions are eased and the summer weather is here, people will head to the beaches and coastline to enjoy the sun, sea and time with friends and family. In a normal year, the RNLI helps thousands of people who end up getting into difficulty in or close to the water when doing these types of activities. Throughout the summer term, our local team of trained volunteers and Lifeguards do their best to visit as many of the schools, colleges and youth groups in our region as possible. However, due to the ongoing coronavirus outbreak we have not been able to engage with school communities as we normally would.*

*Educating young people about how to keep safe, in on and around water is fundamental to saving lives at sea and a core part of the RNLI's water safety activity.*

*If you're looking for ways to engage, educate and entertain your children at home, play our Water Safety Wednesday series – perfect for primary school-aged children.*

<https://rnli.org/youth-education/education-resources/water-safety-wednesdays>

<https://rnli.org/Youth-education/water-safety-from-home>

*Beach lifeguards cannot be everywhere this summer – it is vital every one of us takes responsibility for our own, and our families', safety.*
