Expectations

Behaviour: The children will be expected to follow the school code. Children worked together at the beginning of term to establish an agreed set of rules.

Work: The work is differentiated to meet the needs of all children, but children are expected to try their hardest and be resilient. We have high expectations of presentation.

Attitude: Children are encouraged to use the 6Rs around school and we celebrate achievements in our Friday assembly.

How you can help

At home: Please read with your child regularly and discuss the book as you read along. Children can borrow books from school or read their own books.

Can you help in class or on trips?

Homework

- Reading
- Use of Learning Logs

Attendance and Uniform

- Please help us by ensuring that your child is on time for the start of the day. Doors close at 8.55am when the bell goes and lessons start at 9.00am.
- Please collect from the playground to avoid congestion.
- Requests for term-time absence should be put in writing to the Headteacher, using the form available from the Office or website. They are only authorised in 'exceptional circumstances'.
- Last year our attendance rate was 96%.
- Please also help us with school uniform and name everything as we are not keeping lost property.
- Please speak with us if you have concerns or questions.
