**Headteacher's notes...**

Our school Choir has gone to Birmingham today to take part in this year's Young Voices concert. It is good to be able to do this again and I am sure that they will have had a wonderful time. They have been practicing hard for many weeks and are ready to perform!

We had a group of teachers from other schools visit recently and as they walked around they were impressed by the quality of work on display from all year groups. The children continue to work hard and take part in a number of activities. Staff are looking forward to discussing your child's progress at Parent Consultations later in February and bookings for these are open by going to [SchoolCloud - Brampton Village Primary School](#). If you have any problems please contact the school office.

There are a number of sports tournaments taking place next week, including another Panathlon and football match. We wish all those taking part good luck!

You may have noticed some areas of the school grounds roped off as we try to look after various areas and stop the mud coming into school. Please help us by sticking to the paths as much as possible.

It would be worth having a contingency plan in place in case we have to close classes/ year groups at short notice.
