Brampton Village Primary School Premises Conditions of Use

Please be aware that although there is access for disabled visitors we regret that at the present time there are no toilet facilities

1. Application for a letting at Brampton Village Primary School shall be made to the school office.
2. Although lettings are welcome throughout the year, it should be noted that essential repair and redecoration takes place during school holiday periods. This may result in alternative spaces or dates being offered.
3. All lettings shall be for the particular rooms and toilet facilities hired and hirers shall not go into other parts of the premises.
4. The approved charges are stated in hourly rates: part hours will be charged pro rata.
5. A charge for the hiring of the premises may be made unless 48 hours' notice of cancellation of a letting is given, in writing, to the school.
6. Persons hiring premises, grounds or equipment will be held responsible for any damage to buildings, furniture or other property.
7. If any additional expense is incurred in the removal and replacement of furniture or any exceptional cleaning becomes necessary in consequence of the use of the premises, the persons hiring the building will be notified, and will be responsible for such expense.
8. The Local Authority cannot accept responsibility for any loss, damage or accidents occurring during occupation of the premises, and particular attention is drawn to the observation of the safety regulations e.g. fire exits must not be locked. Persons hiring the premises for public dances ought to consider whether they should advise the Police of the event.
9. The Local Authority does not seek, in paras. 5 & 6 above to absolve itself or any employees from liability as owners/occupiers of the premises but in view of the indemnity given by the hirer, it is a requirement that any hirer will protect itself against claims by arranging Public Liability Cover. Insurance cover will be provided under the Cambridgeshire County Council Hirers' Liability Scheme unless the hirer produces evidence of alternative insurance cover. The charge for the above insurance cover will be 12 ½ % of the hire fee, subject to a minimum charge of £1.25, and will be levied at the time of booking. Cover under this scheme is not available for commercial lettings.
10. If applicable, proof that a bar licence has been issued will be necessary.
11. **The school has a strict No Smoking Policy. This includes the school grounds and areas outside the entrances**
12. Hirers are responsible for ensuring that the security lock on the front door is activated at all times restricting access.
13. In the event of a minor accident, first aid facilities and telephone are available in the school office. All accidents must be reported to the Caretaker or School Secretary who will ensure the accident report book is completed. The provision of a first aid trained person is the responsibility of the hirer.
14. Hirers should acquaint themselves with the fire and evacuation procedures.
15. Any equipment used must be that which is provided by the school. In the event that the school is unable to provide the equipment, the hirer must ensure that any equipment brought into the building by the hirer complies with statutory requirements, e.g. any electrical equipment must have been tested by a qualified engineer and have an up to date certificate of electrical safety.
16. Should the use of school equipment be required, the hirer must ensure they are fully conversant with the use of such equipment. All equipment should be returned tidily and in its correct place after use.
17. Hirers are not permitted to store anything on the premises without the prior agreement and approval of the Headteacher.
18. *Hirers are required to remain on the premises until their booking ends.* This is particularly important in 'B' lettings where the caretaker does not remain on the premises during the let.
19. Hirers must vacate the premises promptly at the end of their booked finishing time.
20. For all Rate 3 bookings a security deposit of £100 will be required prior to the commencement of the letting.
21. The hirer is responsible at all times for the behaviour of his/her party/group. Failure to comply with these conditions of use may result in exclusion from use of the premises in the future.
22. School premises are not available for hire to political or religious organisations on weekdays during term time.
23. The number for the Caretaker is available from the entrance.
24. The Governors' decisions regarding applicable scales are final.
25. The Governors reserve the right to
 - (i) terminate any letting arrangement
 - (ii) vary the charges
 - (iii) cancel any particular letting after notice has been served.
