School Open Day (for new reception children)
Wednesday 22nd November

Brambles dress up day
Friday 8th December
In return for a donation for the PTA Christmas Fair

PTA Christmas Fair
Friday 8th December 3-5pm

This Week's Learning

We learnt about who helps us at the doctors' surgery, what they do, when they help us and why do we need doctors and nurses? Some of us enjoyed a visit from Doctor Mary!

Something Special

When children have their buckets filled and learn how they can fill other people's buckets too, they understand how special, valuable, and capable they are.' (Fill a bucket book by Carol McCloud and Katherine Martin. £5.99)

The bucket fills up by being a good friend, when they play and share toys, when they listen and help, when they say please and thank you, when they listen when someone reads to them, when they say something nice about a friend, by being kind, help around the house, take care of a pet, when they are happy.....the list goes on! The children will be coming home with more information and some slips to fill in at home. In the family cloakroom there will be a green bucket for you to put your child's completed slips in. You could also have a bucket at home and see that this is a great activity to do as a whole family – what will YOU do to fill your family bucket?
