Upcoming Events

Friday 17th March
Red Nose Day

This Week's Learning

The Brambles children have noticed lots of spring flowers emerging in our garden and around the village, so this week we have been learning all about spring flowers.

We have created beautiful flower paintings, planted seeds in our garden and decorated some garden stones for our garden patch.

Our weekly community walk was over to Willow Close in the village where one of the residents kindly shared a cutting of her Christmas rose and spoke to us about the names of the flowers in her garden. At home you could discover what flowers you have growing in your garden.

Our number of the week: 2

Our key words: daffodil, primrose, tulip, crocus, snowdrop and pansy.

Something Special

The weather has been a wonderful surprise this week and Brambles have thoroughly enjoyed being in the garden splashing in the puddles and catching snowflakes in their hands and on their tongues.

Next week they will be bringing something special home for Sunday that they have been creating all week and are very proud of.
