Brampton Village Primary School Governor Body

Have you considered joining us as a School Governor?

March 2023

What is a School Governor?

As Governors we play a **key role** in the success of our school, for the benefit of our children. We are volunteers who work with the professional staff to ensure our children get the best education the school can provide - take a look at our [school website](#) to find out more about us. We are a mix of parent governors, co-opted governors from the wider community, a governor from our Local Authority, a staff governor and our Head Teacher.

What do Governors do?

We set the strategic direction for the school and monitor progress on all aspects of school life, from safeguarding and wellbeing to educational outcomes, resources and school values.

Working as a governor involves reading reports, visiting the school, asking questions and attending meetings, in order to maintain an overview of how our school is doing. We work as a 'critical friend' to the school's leadership team, both to challenge and support.

The average time commitment is five to eight hours per month, although it will vary with the current needs of the school and your role; and may be more initially until you are up to speed. The term of office is four years. Many people choose to serve multiple terms, however as a volunteer you can resign before your term is finished if your circumstances change.

Who are we looking for?

We are looking for a **parent** governor to join our team. We encourage applications from all members of society, regardless of background, gender, ethnicity, disability or age (as long as you're over 18).

- **Can you spare some time?**
- **Do you enjoy working as part of a team?**
- **Are you interested in helping to make our school the best it can be?**

If the answer is YES then please get in touch.

Being a school governor has rewards. It is good personal development, you get access to training and experience of working in a board situation. In addition, you will gain an enormous sense of satisfaction in being part of a team working to improve the school and outcomes for children.

No previous experience is required, just the necessary skills, character and time to contribute. **We are looking for people who are:**

- Committed and have the time to dedicate to this important role
- Motivated and organised
- Willing to learn
- Work well as part of a team
- Interested in education and providing the best possible opportunities for our pupils

We are **currently looking for the following skills** in particular:

- Finance

How to apply?

The enclosed sheet summarises the circumstances under which someone cannot serve as a governor. Applications must be from parents or carers with children at the school on the closing date.

Completed application forms must be returned to school no later than noon on **Friday 21st April**.

If there are more nominations than vacancies the appointment will be by election. If that is necessary, voting papers will be sent to all parents/carers together with details of the procedure and your personal statement (should you include one in your application form).

This School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All appointments will be subject to successful DBS and Section 128 checks and you will be required to provide further personal information which will be entered onto the DfE GIAS database but will not be made publicly available.
