Week 16

Dear Families,

Our outing this week took us into the school KS1 playground and climbing up the big hill. We also had a nature scavenger hunt whilst we were out too.

It was lovely to be back at Brambles with the children.

Week 16 4-8th Jan
Mountains

Week 17 11-15th Jan
Robins

Home Learning: Create a small world scene with mountains

Sincerely,

Miss Rose

Learning Goals:

Topic: 'Winter' **Main Text:** Mountains of the world by Flying eye books

We learnt that mountains are very tall. They are rocky to walk on and are millions of years old. We learnt that they have slopes and the top is the peak or summit. People climb mountains and need lots of energy.

Reminders:

Please do call, leave a message or email brambles if your child is off for any reason.

If your at home, please do check the Brambles Facebook page for daily activities

We also enjoyed pitta bread and Dairy Lea cheese cut into shapes to create a mountain to eat for snack this week.
