Reminders

Between now and the end of term, we will put the children into class groups to support the children in extending their friendship with the children they will be in class with in September. Staff will also be continuing to talk about how the children will still see each other at morning play, lunchtime and afternoon play as well as in the shared outdoor area. Brambles will also continue visiting all areas of the school including their new classes.

Carpet Time

Stories: School Days Around the World by Catherine Chambers
Peppa Pig School Bus Trip by Ladybird Books

Song: Off to school we go

Rhyme: Welcome to school

Upcoming Events

Getting To Know You Sessions & Parent Meetings

For those who have children starting at BVPS Reception class in September, please check your paperwork from school for the dates and times for the Getting To Know You sessions and new parent meetings.

Ideally you need to take your child to these sessions as starting Reception is another exciting milestone and something that should be shared together. If you are having difficulty getting your child there, please inform Brambles staff.

This Week's Learning

We have been learning about school - where Brampton School is and looking at all the different rooms and classrooms. We did this by going on lots of walks to visit both the KS1 and KS2 buildings. We have continued to play with our siblings, friends and new school friends on the playground after lunch.

Something Special

Pool Noodle Hacks for Kids

With all this wonderful warm weather, why not have some fun in the garden with a pool noodle? They are available at the 99p store and Poundland (other stores are available).

With your child see what fun things you can make together and play with your noodle/noodles.

Don't forget to bring it in or take a picture and send it in for us to share with the class!
