This Week's Learning

Orange group showed us this week how confident they are at standing up in front of the whole class and proudly sharing what they brought in using lots of great language and answering some super questions. Well done, Orange group! We were also learning about bread and we made our own sandwiches. The Willows Tea Shop in the village allowed us to go in and have a look!

Something Special

What's inside today? There's a story waiting within, ready to be told. Open the lid and see who's come to play!

You can gather together any variation of loose parts and characters, perhaps to match a book you are reading at home and place them in a container. Invite your child to tell a story with the contents. Perhaps write their story down and take pictures and make your own book.

Bring your container or homemade book into pre-school after half term to share with everyone at Brambles
