Headteacher's notes

Although we are unable to have Assemblies in school at the moment we have been able to celebrate 'Stars of the Week' with each class today. The children are working really well and you can see how much they are enjoying being back in school. We continue to keep everything we do under review, making sure that everyone keeps safe whilst at the same time trying to keep school as 'normal' as possible. Your continued support is much appreciated.

The Governors met earlier this week for the first time this term and Emma Spencer was elected as Chair. We are grateful for the work that all the Governors do in supporting the school, especially at this time. If you have any questions for the Governing Body they can be emailed to governorquestions@brampton.cambs.sch.uk.

One issue that was raised at our meeting is that there have been several comments from other parents and members of the public about families meeting on the Green after school. Please remember the rule of 6 applies once the children have left school. We have sent home some further information today which we hope you will find useful.

We have been asked by a number of people about the use of face masks/coverings and parents and carers may choose to wear them when dropping off/collecting the children.

Parent Consultations

We will be holding Parent Consultations in the week before half term but as we are unable to have parents in school these will be held on Zoom. More details will be sent home next week, along with information about booking online.

Keeping Safe - A reminder from PCSO John Carter

There have been some reports of a young school aged child (approximately 4 or 5 years old) approaching unknown adults when playing outside. Please remind your children about keeping safe when playing outside and the potential dangers of approaching people they don't know. The same applies to approaching dogs, particularly without permission of the dog owner.

School Photographs

Individual photographs will be held on **Thursday 8th October** but unfortunately we will not be able to take sibling or family groups this year. For those children who have PE on Thursday please send them in with a polo shirt and school jumper for their photo.

Year 6 Transition to Secondary School – Application Process Closing 31st October 2021

A reminder for all parents of children in Year 6 that the closing date for secondary school applications for next September is **31st October**. Offers will be made on the 1st March 2021.

If any parents are experiencing difficulties with their online accounts, please contact the school office.
