This Week's Learning

We have been learning all about school and where we will be going to school. We have learnt that some people will be going to Brampton whilst others are going to a different school and others are moving away. We have enjoyed playing on the KS1 playground and finding siblings, friends and making new school friends along with meeting the teachers, TAs and lunchtime staff.

Something Special

Starting Primary School

You should now have received confirmation of your child's school place. It is important that you confirm with the school that you would like to accept the place.

If your child is attending Brampton Village Primary School, please pop into the school office before or after pre-school to confirm with them.

In the next few weeks you will be receiving letters from the school with regards to visits and getting to know you sessions, etc. If you have any school related questions or queries relating to the visits etc, please contact the school directly on 01480 375063 or via email: office@brampton.cambs.sch.uk
