

Year 2 Week 1

Maths

At school we plan our lessons based on a scheme called 'White Rose'. White Rose has been setting up on line lessons. The lessons include a video to watch and a worksheet (and answer sheet).

In school, we would adapt planning to suit children's individual needs so if you find the lessons too hard then you could try the year group below.

Start at Summer term week 1.

Keeping skills sharp - Choose number bonds, doubles, halves, times tables and division facts
