Week 9

Week 9 2-6th Nov  
Autumn 2 starts

Week 10 9-13th Nov

Home Learning: What can  
you find out about fire  
safety?

Dear Families,

Brambles staff hope you all had  
a happy and safe half term.

This week the children enjoyed  
some vegetable stew, looking at  
and recording the weather then  
discussing what clothes we  
should wear. On our walk this  
week we looked for shades of  
brown.

Sincerely,

Miss Emma

## Learning Goals:

Topic: 'Winter' Main Text: It was a cold dark night

We are:

- Learning how to count and recognise numbers by clipping numbers onto a cut out hedgehog.
- Making up stories using the hedgehogs and woodland small world toys.
- Exploring different textures to create a den both on the small world table and also on a larger scale outside.

## Reminders:

Brambles starts at 9am so please be there a few minutes before so your child can start their day on time.

Brambles closes at 3pm so please ensure you are there a few minutes before so you are ready to greet your child.

There is now a door bell on the gate if you have an appointment and will be dropping off/collecting outside of your child's usual session hours.
