Reminders

Please make sure your child has spare clothes in their green bags and warm clothing when they come to school. It is very cold and a thin waterproof isn't warm enough as we do play outside every day in all weathers.

Please do read the notice board outside of Brambles for daily information, snacks, planning and this term's activities.

This Week's Learning

We have been learning all about space this week. We have been learning the names of the eight planets through our rhyme and how the earth turns around, the moon goes round the earth and earth goes round the sun through our song. We pretended we were astronauts just like the bear in *Whatever Next* by Jill Murphey.

Something Special

A storytelling basket is a fun way to interact with your child's favourite story. This example uses Goodnight Moon, a classic book from Margaret Wise Brown. The text is simple and rhythmic. When reading the book, point to the items mentioned. *"And a red balloon"...there's the red balloon.* To extend ask your child to find each item. For those who are ready, see if they can re-tell the story themselves using the book and items from the basket. *Don't forget to email in photos of your child with their favourite story and their storytelling basket – we'd love to see and display them!*
