Headteacher's notes...

We had a variety of socks on display Monday from both children and staff which was great to see. The important message about each one of us being valued for who we are as individuals is not just for one day, or even a week, but something we should all remember all of the time and is part of our school values. At this time during the pandemic, looking after and supporting each other is even more important.

We continue to remember all the those children in Reception and others who are isolating, as well as the staff, and look forward to them being back in school with us next week – it has certainly been a bit quieter without them. Thank you for your continued co-operation with maintaining social distancing in the playground and around school. It is important that everyone continues to take responsibility.

I am aware of the difficulties caused by the road closure on Tuesday this week. The work is being carried out by Anglian Water and we had no prior warning of any repairs. We have contacted about the situation and I understand that the work is scheduled to be finished by next Tuesday.

We have now raised over £600 for Children In Need – thank you so much!

Remote Learning

Arrangements are in place for remote learning should children need to isolate and we will be sending home further details next week.

School Meals

Plans are still underway for a hot menu to start the first week in December. This will initially be for 2 days a week then going up to 3. More details will be available next week.

PTA NEWS

Lottery- This is being drawn on Saturday 21st so get your last minute tickets to be in for a chance of winning that amazing prize of a Nintendo switch bundle. Link is below to get those tickets.
