This Week's Learning

What a wonderful start to Brambles and our pre-school year! We have settled so well and quickly and we are already happily coming in and putting our lunch boxes away all by ourselves. We have learnt a lot in our first week at pre-school. We have learnt where things are in the classroom, we have used lots of different art equipment and learnt the classroom rules for inside and outside in the garden. We have also got to know each other and all the teachers by playing together with lots of fun activities, rhymes and games.

Something Special

This section of the weekly newsletter is to share ideas and top tips that will help with your pre-schooler. If you have any ideas, please email Brambles so it can be shared with Brambles families.
