Headteacher's notes

This week we have seen the children continuing to work well in their classes on a variety of topics. So many of them are so proud of what they have achieved and want to show their work whenever I walk around the school with visitors – it is great to see. Children in Upper Maple produced a great Assembly and next week these continue with Middle Elm on **Wednesday 27th November**. It starts at 9.15am in the KS1 Hall and parents/carers are welcome to join us.

Next week our Governors meet for the last time this term and some of our footballers are playing a match on Tuesday – we wish them well.

School Lunches

The lunch menu has been updated and a copy is available on the website. Our school Christmas lunch will be on **Friday 6th December** and details have been sent home this week – this is also available on the website.

Non Uniform Day

We will be having a 'Christmas non uniform day' on **Friday 6th December** as it is both our Christmas Fair and Christmas Lunch.

Poppy Appeal

Thank you for your support. This year we raised over £172.

Reception and KS1 Performances

Tickets are available to book on a first come, first served basis via the Parents' Evening signing up system, www.bramptonvillage.parentseveningsystem.co.uk from 7:00pm this evening.

Lower Phase

Classes in Key Stage 1 would like some empty cereal boxes in school and these can be brought in from **Monday 25th November**. Thank you.

Middle Phase

The children have been busy making good use of their Reading areas and are also trying hard to reach their class target of 100 reads at home per week. Please can you support your child by signing their reading records every time they have read 5 times at home and reminding them to bring them each day eg: Wednesday. Their class can only achieve their reward if every child has contributed by reading at home. Well done to Middle Beech and Middle Elm for achieving their target this week!

We have also started our Guided Reading Vocabulary focus sessions and would like to thank those volunteers who came in to assist us this week.

Upper Phase

Upper Phase are very excited about a forthcoming visit to The Space Centre in Leicester, which will take place in the second half of Spring term 2020. This is an amazing opportunity for the children to immerse themselves in our science topic of Earth and Space and we very much hope that this planned educational visit will take place with your continued support. Further details will be sent out to parents in early January but the anticipated cost is likely to be between £15 and £20.

Contact Information

Please can we ask that all parents update the school office as soon as possible if any addresses or contact numbers change. We have had a few issues where we have tried to phone parents and the numbers are no longer in use. If there is an emergency we need to be able to contact you as quickly as possible. Thank you.

PTA NEWS

Christmas cards- These all need to be in by the end of today **22nd November** so they can all be sent off.

A big thank you needs to go to Giggs and McGrath and those that are displaying a board for the advertisement of the Christmas fair. Giggs and McGrath are donating £10 for each board. Which will go towards helping the school and our children in it. So again thank you to all those involved.

Christmas fair- **Friday 6th December 3.15-5pm.**

If you would like to get involved in any way please contact us on bramptonpta@outlook.com

Next meeting- **Friday 13th December at 2pm.** Everyone welcome.

PTA Team

Buy a child a book

Reading is a strong focus for the school this year but our book resources could be better to help our children with their reading. A 'GoFundMe' page has been set up to help raise funds to purchase new books within the school. Perhaps you never get to a PTA event or want to do something instead of giving your teacher a Christmas present this year? This could be a way of supporting the school. Any donations would be gratefully received. <https://www.gofundme.com/f/buy-a-child-a-book> Thank you
