CONFIRMED CASE

Dear Parent/Carer,

I am writing to inform you that we have been notified of 2 further confirmed cases of COVID-19 within Year 1 this weekend.

As with positive cases in other settings, and in line with national guidance, NHS Test and Trace will work with the individual who has tested positive to identify close contacts. This is no longer the responsibility of the school.

However, given the cases across the year group and following discussions with the Local Authority, all parents of children in Year 1 advised to book a PCR test online for your child as soon as possible as they could potentially be 'close contacts'. If they are well and are not displaying any symptoms then they should attend school as normal and will only be asked to isolate for 10 days if they test positive. If the test is negative, they may continue to attend school as normal.

A PCR test for close contacts can be booked by visiting <https://www.gov.uk/get-coronavirus-test>.

Should your child develop symptoms (high temperature, a new continuous cough or a loss or change to their sense of smell or taste), please follow the 'stay at home' guidance and let us know as soon as possible.

Thank you once again for all you are doing to keep our school safe.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'P. Allen'.

Mr Peter Allen
