

# Brambles NEWSLETTER

**Week 16**

**Week 16 - 10<sup>th</sup>-14<sup>th</sup> Jan  
Mountains**

**Week 17 - 17<sup>th</sup>-21<sup>st</sup> Jan  
Moss**

**Home Learning:** Find the highest hill or mountain you can and walk up it. Talk about what you can see and the way an up hill climb makes your body feel.

*Dear Families,*

What is *Hygge* and why do we use it in Brambles? *Hygge* is a Danish word that roughly translates to 'cosiness.' *Hygge* is pronounced hue-guh (not hoo-gah) and is a feeling of cosiness and comfort that sparks feelings of contentment and contributes to a positive feeling of wellbeing. By using this approach in pre-school it helps to create and develop a more positive environment and approach to life by enjoying and focusing on the simple things that the world has to offer.

*Sincerely,* Brambles Team

## Learning Goals:

Topic: 'Spring' Main Text: Mountains of the World by Dieter Braun

The learning goals this week were for children to be curious and show intrigue about famous mountain ranges around the world; Mount Everest, Mount Fuji, Mont Blanc, K2, Ben Nevis, Rocky Mountains and the Matterhorn. They created a small world scene with mountains, a river, snow and a little lodge. They also added loose parts like pieces of felt; glass gems, bark, rocks, cotton wool. We watched video clips of children and adults climbing mountains and skiing down, them.

## Reminders:

**13<sup>th</sup> January**

PTA Meeting 7.30pm

**15<sup>th</sup> January**

Deadline to apply for reception place

**26<sup>th</sup> January**

Bags 2 School collection

Face coverings to be worn at the start and end of the pre-school day when dropping off/collecting unless medically exempt.

## Our key words this week were:

Mountain, Summit, Base, Sloping, Temperature and Snow

## This weeks special snack:

Mountains made from  
Triangle toast & cream cheese
