This Week's Learning

We have been learning all about what is the same in Reception as pre-school. We looked around the classroom and the outside area, took photos, made tally charts and talked about what we found.

Something Special

Preparing for Reception emotionally:

Lots of children (and of course their parents!) are very anxious about the big new change of starting school. It may be the cause of a huge bag of mixed emotions, both the excitement of growing up and moving onto the next step, and the sadness at watching them become more independent in the sense that they don't need us as much. Ultimately it's a wonderful thing that they will be growing, learning, developing and building character but it's definitely a whole new world.

- **Visit the school together (GTKY Sessions)**
- **Meet the teacher (both with and without your child)**
- **Read Starting school books from the library**
- **Exciting trips to purchase uniform, shoes, coat etc**
- **Buy clothes that are easy to put on independently**
- **Label EVERYTHING**
- **Read books to your child and talk about the pictures**
- **Teach your child to use the toilet and wash hands independently**
