Reminders

Children go outside every day, so please ensure that your child has suitable and appropriate clothing and footwear for the colder weather e.g. canvas shoes are better for the summer months as they are not warm enough for the amount of time we spend outside.

Please can we also take this opportunity to remind you that shoes laces are not permitted due to the hazard that long laces can cause the child and others.

Carpet Time

Stories: Stickman

Song: Assembly songs

Rhyme: Assembly rhymes

Upcoming Events

Wednesday 18th December

Last day of term

Non uniform day - Christmas Jumpers

Monday 6th January 2020

Teacher Training Day

School & Brambles closed

Tuesday 7th January 2020

Back to school and pre-school

This Week's Learning

We have been reading Stickman, looking at the weather in the story and discussing the clothing that is worn. We have also continued to talk about what Christmas means to us; sometimes it's the same, sometimes it's different and that is OK. We have been creating reindeer bags to carry all of this term's art work (including Christmas crafts) home.

Something Special

We have had so much fun making our sticks into Stickman and his family this week and exploring the other uses for sticks that we saw in the book.

This is another beautifully designed set of books, celebrating the power of the imagination to transform even the most ordinary of objects into something magical.

A stick is just a stick... unless it's not a stick. From a fishing rod to a dragon-taming sword, a small pig shows that a stick will go as far as the imagination allows.

Why not take a visit to the library in the village or the library bus to see if you can borrow these fantastic books to read together? Equally you can look them up on YouTube, before heading out into your garden or the park to find your own stick to see what you can imagine it could be! We would love to see your photographs of what you make the stick into - please email them to Brambles.
