This Week's Learning

This week we have learnt about the role of the police officer. Unfortunately the police were unable to visit on the day we had planned. We learnt that the police do not just catch baddies, they also help us.

Something Special

Thank you all so much for those who took part in today's yellow/spotty/pajama day for Children In Need. A total of £17 was raised. The children decorated their own spotty biscuits and learnt what Children In Need is all about. For more information about Children In Need please visit: <http://www.bbc.co.uk/corporate2/childreninneed>

Figment photography

Stella took individual photos of the children on Wednesday, they will be sent out to you via Brambles.

Stella is planning to hold a family photo morning during the morning of Friday 29th March. Please speak to Sallie if you would like to book a session as spaces are limited. Unfortunately this is only open for those with Brambles aged children and younger as we are unable to collect older children and take them out of their lessons.

Alternatively you can book a photography sessions with Stella yourself if you have school aged children. Stella Hensley, Figment Photography. www.stellafigmentphotography.co.uk

Brambles do receive commission from all photo sales and this will be put towards a new climbing frame set to support the children's physical development.
