## Headteacher's notes

It was fantastic to see the children and staff fully embracing and enjoying World Book Day in their favourite character costumes. The school was a hive of activity as the children were busying themselves with lots of different World Book day activities. Remember to come along to the Book Fair this afternoon, or Monday or Tuesday next week after school.

The Assembly led by Lower Elm earlier in the week was very enjoyable and the children in Year 1 have done exceptionally well with their Balanceability training. Our footballers also did very well in the tournament yesterday and there is another next week to take part in. Also next week Year 5 take part in Bikaebility and Middle Willow will lead Assembly at **9.15am** on **Wednesday 11<sup>th</sup> March at 9.15am** in the KS1 Hall. As always parents and carers are welcome to join us.

We are all aware of the news surrounding Coronavirus and understand the level of concern. We are updated regularly by both Public Health England and the Local Authority and take their advice on any action we need to take. The children do have access to hand sanitiser and are reminded, as always, about the importance of washing their hands regularly and using tissues. On Monday we are having our Assembly led by Dr Simpson. There is further information on the poster provided at the end of this newsletter. We have put copies of these posters around school – why not print off a copy and put it up at home as well?

Please continue to look at the school website where dates of all the events taking place this term are available.

## Times Tables Rock Stars

Children in KS2 have been introduced to Times Tables Rockstars. Further information for parents is available on the front page of the school website.

## Sport Relief

This year Sport Relief is on **Friday 13<sup>th</sup> March** and the children are able to wear their sports kit in return for a donation of £1.

## Support with Managing Children's Worries Workshop

Would you like some tips for managing your child's worries at home?

In this workshop we will be focusing on different strategies and looking at local support for families. The workshop is free to attend, but places are limited. It is advised to book on to reserve a space.

**1.30pm until 3.00pm Monday 30<sup>th</sup> March**

For more information or to book on, please contact:

Kayleigh Fry, Early Intervention Family Worker on (01480) 372602 / 07741

### School Uniform and ear rings

Thank you to everyone who helps us in reinforcing our expectations regarding the wearing of school uniform. There are an increasing number of children wearing different jumpers, trainers or fluffy boots which are not appropriate. The only jewellery to be worn are watches and ear rings (studs) but these must be removed for PE. It is important that the children have PE kits in school.

### Foodbank

The next collection for the foodbank is on **Friday 6<sup>th</sup> March**. All donations should be left in the baskets in the main reception.

### Keeping Children Safe Online

We all know that keeping children online is a priority and as adults we are all responsible for knowing what our children are using and when. The NSPCC has a website which allows you to see information about various apps <https://www.net-aware.org.uk/>.

### PTA NEWS

Don't forget that after school we are running the tuck and uniform stalls alongside the book fair.

Come and grab a bargain and a little Friday treat.

If you would like to be involved with the PTA please email [bramptonpta@outlook.com](mailto:bramptonpta@outlook.com).

Next meeting - **Tuesday 31st March at 7.30pm**

## Coronavirus

To help prevent the potential spread of any infections, including Covid-19, Public Health England has launched the **Catch it, Bin it, Kill It** campaign. Using a tissue to catch a sneeze, binning the tissue and washing your hands is the best way to stop the spread of any germs or viruses. We would ask all parents, carers and their children to follow this good hygiene to stop the spread of germs.

Thank you for your co-operation. We will update you as the situation changes.
