**Week 10**

**Week 10 9-13th Nov**

**Week 11 16-20th Nov**

**Home Learning:** Next week we are learning all about badgers, what can you find out about them?

*Dear Families,*

This week the children have enjoyed making toasted bagels on the campfire for snack. We also tried Parkin cake that was made for snack time. The children made their own campfire in the role play campsite. In the gardening area bulbs were planted and on our weekly walk we spoke about the foggy/misty mornings and evenings.

*Sincerely,* Miss Rose

## Learning Goals:

**Topic:** 'Winter' **Main Text:** Flashing Fire Engines

We are learning about the fire service through our small world play and learnt about fire safety at snack time.

We spoke and shared our experiences about bonfire night and fireworks.

We created our own representations of bonfire night in paint.

## Reminders:

The children go out in all weathers:

Please ensure that they have a warm coat now that the weather is getting chilly.
