Rhyme: Twinkle Twinkle Chocolate Bar

Upcoming Events

PTA Meeting

Friday 2nd February at 2pm

Applications to Primary School Deadline

15th January 2018

This Week's Learning

We have been learning all about road transport this week. We have conducted a traffic survey on the green, practiced our road safety and have designed our own cars. We have also used our listening ears to listen for traffic as well as the different sounds we can hear both inside and outside and seeing if we can recreate the sounds with instruments.

Something Special

Geocaching. Have you ever heard of this? It's like a free scavenger hunt, and you can do it anywhere in the world. There are lots of ways to geo-cache, but the best is to download the App from the popular site, www.geocaching.com. Then on your phone, you can "Find Nearby Geocaches" and it will show you all the treasures that have been hidden close to wherever you are. You just use your phone to find the GPS coordinates and you will find a little box with hidden treasures! Children love this. They can hold the phone and watch as the dot gets closer to the treasure (It's very similar to using GPS for driving directions). Finding the box (look where my hand is reaching, you can see a little box hidden inside the logs), and inside is a little notebook where you can record that you were there and found it, to give children a sense of accomplishment. Sometimes there are even little toys in the boxes, so be sure to bring a few cheap toys or party bag items so you can "get one and give one" to the cache community. The best part about this? It's free!!
