## This Week's Learning

We have been learning all about the role of the fire service through the book Fireman Fergus. We made fire helmets, constructed our own fire engines with various blocks, bricks and large parts and made pictures of fire engines using shapes. We also went on the letter 'F' hunt; looking for 10 objects that began with the sound 'f'. We finished the week off with making a bonfire picture and talking about fire safety.

## Something Special

Brambles staff would like to keep in touch with the children who are not in school so if you would like to continue to send in photo updates of your child with their 'flat' key group animal or anything you are doing at home, please do email.

Miss Sallie is planning to hold a Zoom carpet time with the children who are not in Brambles with the children who are in Brambles so they can still feel part of pre-school. There will be the story of the week followed by the song and rhyme of the week. This will last around 15 minutes. Please email Brambles if you would like to be part of the first session on Friday 26<sup>th</sup> June. If successful, we will hold one once a week and on different days.
