This Weeks Learning

We have been learning all about our new text for the half term, 'What is snow?'

Something Special

At home why not have a try at making snowflakes? If your child is not ready for scissors, they can tear the paper but why not support your child in using child sized scissors to create their own unique snowflakes?

For those who like to get messy, why not have fun with paint and eco glitter to create handprint snowflakes?

Or for those who like to get sticky with glue, why not find some twigs outside and craft into snowflakes.

And remember...
