

Good Afternoon,

We hope that you are all well as you are isolating at home?

Please find below the remote learning timetable which runs from Wednesday this week until 23rd November. **Don't forget that we are returning to school on Tuesday 24th November.**

As with last week you will find video lessons available on the 'Evidence Me' app as well as some printable materials you may wish to use.

Items highlighted in yellow are those activities that we would like the children to upload for us to see if possible. It has been really lovely to see lots of you sharing the things that you have been doing at home with us.

Again, please be aware that teachers will be checking word between 2 and 3pm each day so you may not receive a response until after then.

Email- None urgent emails can be directed to the main school office or reception@brampton.cambs.sch.uk . Please be aware that this email will be checked daily but you may not receive an immediate response.

Home Learning Packs- if you are having difficulty accessing things online or require exercise books or printed work please contact the main school office where a pack can be left for you to collect.

Please do let us know if you require any further support for information.

Best Wishes

The Reception Team

Reception Remote Learning Timetable - Wednesday 18th Nov – Tuesday 24th Nov
