**Week 12**

**Week 12 23<sup>rd</sup>-27<sup>th</sup> Nov**

**Week 13 30<sup>th</sup> Nov - 4<sup>th</sup> Dec**

**Home Learning:** Do you like the dark? What happens when it's dark?

*Dear Families,*

The children enjoyed some warm hot chocolate outside with snacks whilst having their story.

This week, our weekly walk took us with our magnifying glasses to look for tree trunks, moss, feathers and leaves with veins. We also used our senses to smell the various things we found.

*Sincerely,*

Miss Sallie

## Learning Goals:

**Topic:** 'Winter' **Main Text:** How to catch a star

We enjoyed recreating our own versions of Van Gogh's painting, *Starry Night*. Whilst painting, we listened to "Starry Starry Night" by Don McLean.

Using the projector we recreated the night sky using shapes onto the wall.

Due to Covid we couldn't hold a starry night event after Brambles so we used a night light projector to see what shapes we could spot on the ceiling and had the night sky on the smart board.

## Reminders:

Instead of keeping all of your child's art work, achievement cards etc, why not take photos of them and make the photos into a photo book. Much easier to store over the years.
