## This Week's Learning

We learnt all about the role of the doctor and their role in our community. We learnt how you can look after yourself and how you can keep yourself healthy. We also learnt the names of the equipment Doctor Mary showed us when she came in to speak to us on Monday.

## Something Special

### **The Importance of Fine Motor Skill Development**

Fine motor skills are those that involve a refined use of the small muscles which control the hand, fingers and thumb. With the development of these skills a child is able to complete important tasks such as feed themselves, fasten buttons and zips and write.
