Reminders

Next week is the Marvellous Yellow Group.

The PTA do a terrific job on raising funds for both school and pre-school. In the past, the PTA have paid for class gifts, contributed to the leavers' trip and paid for the leavers' personalised PE bags. The PTA need parents and families to help in any way they can. Please go along to the next meeting on Friday 19th May. Without the PTA none of this would be available.

Leavers Celebration

This Week's Learning

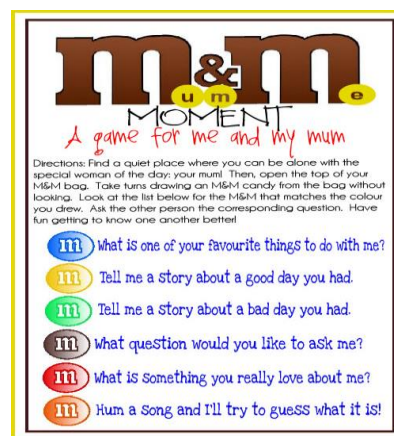

Red Group showed how marvellous they are at being experts in a range of things from football to dinosaurs to cycling! On Thursday morning, The Black Bull in the village welcomed some of the Brambles children into the restaurant. Sharon got the children to create their own sandwich menu and very kindly made them for the children once they had set the tables.

Something Special

As busy parents alongside the children's busy schedules, sometimes it can be very difficult to fit some quiet time in, especially when you have more than one child to have that 1:1 time with. This is a quick fun five minutes treat that you can spend with your child (however old they are) by using a 'fun size' packet or make more time by using a personal sized or family sized packet of M&M's for some family fun!

Directions: Find a quiet time in the day when you are free from all distractions. Open your M&M packet and without looking, take turns taking a sweet from the bag. Look on the list for the corresponding colour sweet you have in your hand and ask the other person that question.

More magical moments: Change the questions to relate to questions you would like your child to share with you. Extend this activity to 'My family time & Me moment' and have a family sized pack of M&M's and use as a way to chat to each other!
