This Week's Learning

We have been learning all about how some of us have straight hair and brown eyes and some of us have curly hair and blue eyes. Others have glasses or freckles – or both! We now know people come in all different shapes and sizes and have different interests and hobbies.

Something Special

Look, I can do it all by myself!

The pre-school year is all about children becoming more independent and to be able to do many things for themselves.

At Brambles children are encouraged to take off and put on their own coats and this is how they do it.

1. Place the coat on the floor with the inside facing up.
2. Stand facing the coat with your feet at the top. (Where the collar or hood are.)
3. Bend down and slip your arms into the sleeves.
4. Flip the coat over your head as you stand up.
5. Voila! All warm and ready to go!

Ask your child to show you that they can do it all by themselves
