Week 25

Week 25 15th-19th March
Nests

Week 26 22nd-26th March
Beetles

Dear Families,

This week's nature walk took us to the field towards the camp where we went looking for nests in the trees.

We have enjoyed making observational drawings of birds and labelling different parts.

Home Learning: Enjoy listening to bird song. Can you distinguish between different bird calls?

Sincerely,

Miss Sallie

Learning Goals:

Topic: 'Spring' **Main Text:** Bird builds a nest: Science storybook about forces

This week our key words were: nest, shelter, home, incubate, resistant and weave. We then learnt what those words mean. We learnt how birds create their nests and had a go at making our own using stones for eggs to see if it would hold. We also used playdough to create nest shapes.

Reminders:

Easter/Spring Break is Monday 29th March - Friday 9th April.

Teacher Training day and Brambles closed on Monday 12th April.
