Spring Term 2024

Letter 10

15<sup>th</sup> March 2024

### Headteacher's notes...

This week is British Science Week and the theme is all about 'Time'. In Assembly on Monday, the children were encouraged to be resourceful and ask questions in order to solve problems as this is how so many scientific advances have been made because people wanted to find answers to various issues. This could be to do with medicine, technology or something else. There are still lots of activities taking place in the local area as part of this.

After seeing our caretaker Mr Grady in his suit of armour on Monday, the children, staff and volunteers all looked fantastic in their costumes on Tuesday as Year 2 had their 'Life In A Medieval Castle Day' which was run by History Off the Page. In the morning, they took part in different activities and then spent the afternoon preparing for their banquet with entertainment provided by the children. Thank you for all your support with the costumes and to those who were able to come and help on the day.

A team went to the NFL Flag Football Practice Festival on Tuesday in St Neots. Despite the rain they all had an enjoyable time and are now more prepared for the tournament, which should be held next term. Our footballers played against Stukeley Meadows yesterday and were unfortunate to lose - well done to all involved.

We have spent today dressed in red in order to support Red Nose Day for Comic Relief. At the time of writing we have raised £307.50 and donations can still be made by going to [Brampton Village Primary School is fundraising for Comic Relief \(justgiving.com\)](http://www.brampton.cambs.sch.uk)

Thank you
