Spring Term 2024

Letter 4

26th January 2024

Headteacher's notes...

You will be aware from earlier letters that one of the things we are developing this year is writing and this week we had our Talk for Writing consultant in school working with both staff and children. He works in schools across the country and whenever he visits Brampton, he is always so positive about the school and really enjoys his time in the classrooms with the children who are so enthusiastic. Staff have already worked successfully to implement many of the strategies, including developing the learning environments, and we have seen many of the children make so much progress already and enjoy writing! He is back next week to support more classes.

Staff are looking forward to discussing your child's progress at Parent Consultations later in February and bookings for these open on Monday 29th January. Please go to [SchoolCloud - Brampton Village Primary School](#). If you have any problems please contact the school office.

Thank you for all your support this term with uniform, PE kits, healthy snacks, etc – it is really appreciated. We have a number of children and staff off at the moment as there are various bugs around and I hope that everyone is better soon.

Term dates

Governors have now agreed the term dates for 2024-2025 and they are being sent home today. They are also available on the school website.

Sports News

Congratulations to our Year 5 footballers who came runners-up in their tournament yesterday. Thank you to everyone who went and supported them.

World Book Day

World Book Day is fast approaching on **Thursday 7th March** and is a world- wide celebration of books and reading. As part of this we will be inviting children to come to school dressed as their favourite book character or to come with a small prop/badge/accessory or object linked to their book. Please do not feel that elaborate or expensive costumes are necessary.

SENCo

Unfortunately, Mrs Tucker, our SENCo, is expected to be off school for the next 2 weeks. We are currently re-arranging meetings for her but if there are urgent matters please email office@brampton.cambs.sch.uk.

PTA News

Key dates for your diary:

- **6th Feb - Disco** (Years 1 & 2, Years 3&4)
- **8th Feb - Disco** (Brambles & Reception, Years 5 & 6)

Thank you so much to those that have already volunteered but **we are still in need of helpers** for the discos to run safely and successfully. It's really easy and there are lots of different things to do so no matter whether you're creative or good with numbers or just willing to get stuck in, we'd love your help! Use the QR code below.

Many thanks,

PTA Team

Measles

You will be aware that there has been a rise in measles cases in different parts of the country. We have been asked to share the following information with you.

Measles spreads very easily among those who are unvaccinated, especially in nurseries and schools. The best protection against measles for children and adults is to get both doses of the MMR vaccine. It is never too late to have these vaccinations. More information is available from [Measles - NHS \(www.nhs.uk\)](http://www.nhs.uk).
