Letter 7

Summer Term 2025

Headteacher's notes...

For some people, Friday the 13th is believed to be an unlucky day and so they choose to avoid significant decisions or events. However, for us in school, it marks the end of another successful and busy week which has been full of different events. It started with Year 2 visiting St Mary Magdalene Church in Brampton and finding out all about it. We had enjoyable discos once again and thank you to the PTA and volunteers who have worked so hard to make them a success. Yesterday we hosted a football tournament in which four teams took part. Brampton won 2 matches and lost one against the eventual winners which meant that we came second. Thank you to everyone for supporting and helping with these events – we really appreciate it.

Upcoming Events and Reminders

We have a number of events coming up in the next few weeks which include:

Sports Days

Reception Sports Day	Wednesday 25 th June
Key Stage 1 Sports Day	Tuesday 1 st July
Key Stage 2 Sports Day	Friday 11 th July

On these days the children should come to school as usual in their PE kits and the gates will be locked at 9.00am. Parents/Carers should wait outside the green gates at the front of the school and these will be unlocked when we are ready to start.

'Meet the Teacher' **Wednesday 2nd July**

We have our 'Meet the Teacher' session after school. This is an opportunity where you are welcome to come and meet your child's new teacher in their new classroom and it starts straight after school until 3.45pm

Open Afternoon **Wednesday 9th July**

This is our Open Afternoon and this starts straight after school until 4.00pm. This is an opportunity for you to come into school to view some of your child's work from across the year and also to collect their Annual Report which will include results of any statutory assessments, including Y1 Phonics and KS2 SATs. Please note that this is not the time to discuss matters with the teachers and Reports should not be opened until you are at home. Any Reports not collected will be posted home.

Road Safety

Earlier this week we received a message from a local resident very worried about children's safety. After school a child rode up the middle of the street outside of school just as she was driving down it. She said it was not the first time she has seen near misses with children on bikes and scooters, but this was the closest yet.

We do not want anybody to get hurt so please take care when cycling, scootering or walking outside of school. It is everyone's responsibility and children need to be closely supervised. There are still adults and children who cycle in the playgrounds and who go through the car parks despite requests not to. This is for everyone's safety.

PTA News

Thank you to everyone who helped with making our Discos this week a huge success - Whether you were one of our amazing volunteers behind the scenes sorting everything in advance or helped man the stalls on the day, we couldn't have done it without you. It looked like everyone had a great time while we are excited to announce that we raised **over £2,900** for the PTA which is amazing. A special mention to our Disco Queen Nicki who coordinated everything and ensured it ran so smoothly!

Bag2School - Wed 18th June

- Our next Bag2School is next Wednesday so use the weekend to sort through your clothes, bags, shoes and jewellery this weekend ready to leave your bags by the coloured railings by 9am on 18th - It should be dry so feel free to leave them the night before if it's helpful this time around
