Moon

Week 31

26th- 30th April
Tadpoles and Ponds

Home Learning: Look out of the window at night time together and talk about what you can see. Maybe draw a picture.

Dear Families,

On this week's nature walk we went on our own 'moon walk'. We looked for shapes around the green, pretending the green was the moon and we walked just like astronauts on the moon.

We created moon paintings using textured paint which we made by mixing paint and flour. We also looked at moons in famous drawings and paintings.

Sincerely,

Miss Rose

Learning Goals:

Topic: 'Spring' **Main Text:** 'Owl Moon' by Jane Yolen

We used the story of 'Whatever Next' to talk about what we already knew about space and the moon. We then found items from the story for the role play area outside to help re-tell the story by ourselves.

We made rocky road by mixing melted chocolate, mini marshmallows and broken up digestive biscuits before leaving it in the fridge to set. We enjoyed eating it for snack. We discussed how it was bumpy like the surface of the moon.

Reminders:

Please return your child's art folder back to Brambles.

Please let your child's key person know which school your child will be attending in September.

No one is in the Brambles office before 12.30pm each day. Please email or leave a message - thank you.
