## Headteacher's notes...

The Year 6 children visiting Laches Wood this week have had a fantastic time and staff have commented upon how well they have taken part in everything. Well done to all of them and thank you to all the staff who have given up their time to support them this week. Other children in Year 5 and Year 6 have had a 1980s themed week and some of their costumes today have been great! Alongside this they have been investigating the crime of the missing Teddy – I wonder if they solved it?

Children across the school continue to amaze with what they have achieved this week and it is great to see them all working so well. Next week we will be sending home information about the class teachers for next year. We are planning some sessions for the children in July when they will have the chance to meet their new teacher and see where their new classroom is as we are mindful of making their transition to new classes as smooth as possible.

Thank you to everyone who has completed the Parent Survey so far. It will close at 1.00pm on Tuesday 29<sup>th</sup> June. It can be accessed by going to <https://www.smartsurvey.co.uk/s/6YT4LW/>.

As you are aware Mrs Cooper has been off school since the start of this term. She is continuing to recover well but due to her treatment she is likely to be away from school until the end of the Autumn Term. We continue to think of her and send her our best wishes. Mrs Eason and Mr Rayner, as Assistant Heads, will continue to be out of class for some of the week as part of their leadership roles.

## Annual Reports

This year your child's Annual Report will be posted out from Monday 12<sup>th</sup> July.

## Summer Raffle

We are busy finalising the details for our summer raffle and would be very grateful for any prizes donated. Please drop them to the school office.

Thank you  
PTA Team

Please keep your child at home if they are unwell or show signs of COVID. If someone in your house tests positive, please inform us immediately. We will have to continue to close bubbles of classes/ year groups if there is a positive case confirmed amongst either children or staff. You do not need to inform us of negative results, although this is helpful, but we MUST know about positive results immediately.

If a child becomes unwell or shows any symptoms of COVID-19 we will contact parents/carers immediately. We will then expect the process for booking a test to be followed. If there is a positive test this may impact on the bubbles with them having to close whilst staff and children isolate.

**Please continue to inform the school each day by phoning or emailing**  
[pupilabsence@brampton.cambs.sch.uk](mailto:pupilabsence@brampton.cambs.sch.uk) .

**Please use this address if your child becomes unwell and needs a test at a weekend.**

## Got to drive? Park and stride!

*We understand that not everyone is lucky enough to live within walking, cycling or scooting distance of school – so why not give ‘park and stride’ a go?*

*By parking five-ten minutes away from the school gates and walking the rest of the distance, your family can still reap the benefits of an active commute while making school a safer place for all. You could even scoot from the boot – pack your child’s scooter into the boot and let them enjoy the fun of scooting the rest of the way to school.*
