Headteacher's notes...

I know it was nearly a week ago but I want to start by saying 'thank you' to the PTA for last Saturday's Summer Fair. Although it was a little damp at times it was great to see so many people come and support it. A lot of planning and hard work went into making it such a success.

We have had more sporting success in school this week with one of our teams winning the Hunts School Sports Partnership Quicksticks Hockey tournament. Congratulations to all who played and thank you to everyone who supported.

The topic for Year 4 this term has been 'London' and as part of this they went to the Tower of London yesterday. They all came back full of information and had clearly enjoyed it. Thank you to all the staff and volunteers who made this possible.

In Assembly on Monday we thought about our school community and all the various gifts and talents that we have. Some may be obvious, for example, in music, art, dance, sport or academic, whilst others are less clear. Showing kindness, respect and good manners are also important and help to make our school the place it is.

It is good that we can once again hold events in school for parents and further details will be sent home early next week about some that are planned for the rest of this term.

Sports Days

PTA News

We just wanted to say a HUGE thank you to everyone who came to the Summer Fayre and a MASSIVE thank you to everyone who worked so hard to make it a great success. It was so nice to see all the children having so much fun (despite the rain) and coming away with their haul of winnings.

We have raised a staggering £4,740!!!! This includes the money from the online raffle, thank you to all businesses who donated prizes.

This amazing amount wouldn't have been possible without sponsorship from the following local companies:

Giggs & McGrath
The Villager
Thomas Morris
Peter Lane

Thank you to all the parents/carers and staff who helped on the Friday and Saturday with setting up, helping on stalls and clearing up afterwards, your help is hugely appreciated. A special thank you needs to go to a few Year 6 parents, Catherine Harness and Alice Ferrer on the face painting (some amazing professional creations for three hours straight!) Dave Shaw on the passport games who helped when the year six children had gone, Jo Fletcher and team on the hot dogs and Simon Fletcher for doing Beat the Goalie. We will be so sad to lose you for next year!

Your feedback for all events is always very much appreciated, anything positive or constructive is welcome as this is all a learning curve for the small PTA team. Please email us on bramptonpta@outlook.com.

There is still an opportunity for us to increase this fundraising amount with match funding. Would your employer be willing to match the amount raised on one of the stalls? This amount varies from £20 up to £470. Please do ask.

Discos - The PTA team are planning now for the discos. We will need helpers on the day so please do get in touch.
